Abstract: Narrative text (500 word limit for oral presentations and posters)

- do NOT use jargon and acronyms
 - do NOT use 'symbol font', please spell out Greek letters and avoid using other symbols
 - do NOT include tables, figures or references
 - do NOT use indentions or tab stops in the text body
- Consider including the following information in the abstract, when relevant:
- objective, problem under investigation, hypothesis, or research goal
 - description of research methods
 - summary of findings
 - statement of how the research advances the Zebrafish models field

Motivation statement

specify the importance of the study and why the research is worth being communicated. Students completing their PhD are invited to specify if they are at the end of their PhD stage.

The committee reserves the right to propose alternative presentation formats as the scope of the final programme requires.

When you send the abstract it is mandatory to fill the form at the following link:
